3. Grade information presented in Crag Snapshot is an aggregate grade based on combining one or more of the contributing sources to the index of climbs. An '!' (exclamation mark) to the right of the grade indicates the grade is presented in a different grading system to the document or that there is a grade discrepancy between contribution resources at the time when the report was produced. Please note that there may be climb grade disagreements in the climbing community and no exclamation mark displayed.
4. Climbing stars are presented, from 0 to 3 to the right of the climb name, and are based on the Quality Score of the climb which is itself based on user quality contributions (from 'Crap' to 'Mega Classic') and comments on the site.
